Dear Supporter,

Would you like to memorialize a fallen hero, honor a living veteran or recognize a donor?

If so, we are pleased to offer you a unique way to do that and, at the same time, support the Delaware Veterans Home.

Through our Memorial Brick Program, you have the opportunity to have personalized bricks engraved with the name and message you specify placed outside the Veterans Home.

The first 200 memorial bricks purchased will be securely placed in the flag plaza at the front of the Delaware Veterans Home. All other bricks will be placed elsewhere on the grounds.

You can choose between three lines for a 4x8 brick or six lines for an 8x8 brick with 2 to 18 characters per line. Simply complete both sections of the attached order form and return it with your much appreciated donation.

Your donation will allow us to provide additional amenities and homelike comforts for our residents. Thank you.

With Warm Regards,

William Peterson, NHA

Director, Delaware Veterans Home
